NFBG plants ready to ship this week!
Watch the virtual sales team.

Perennial friends its time to start putting the farm to bed for the winter. The NFBG team will begin moving, cutting and prepping plants for winter slumber. At this time inventory / availability comments will change rapidly as we begin this process. We will continue to ship on an abridged schedule as trucks fill rather than within our usual 24 to 48 hour turn around times. Thank You!
